

WHY COUGH.
A cough is a sign of trouble. It is a warning that the lungs are being attacked by some germ. If you do not stop it, it will become a habit and then a disease. **Ayer's Cherry Pectoral** is the best remedy for a cough. It is a simple, natural remedy that will cure any cough, whether it is a cold, a whooping cough, or a chronic cough. It is made of the finest ingredients and is guaranteed to be effective. **JOHN F. TRUE'S** is the name of the man who discovered this remedy. He was a doctor and he knew what would cure a cough. He found that a mixture of cherry pectoral and other natural ingredients would do the trick. He has been making it for over 50 years and it has never failed. It is now the most famous cough remedy in the world. **TRADE MARK** is the name of the mark that is on the bottle. It is a mark that is known all over the world. **JOHN F. TRUE'S** is the name of the man who made it. He is a man of honor and he is proud of his work. He is proud of the fact that his remedy has cured so many people. He is proud of the fact that it is a simple, natural remedy that is effective. **JOHN F. TRUE'S** is the name of the man who made it. He is a man of honor and he is proud of his work. He is proud of the fact that his remedy has cured so many people. He is proud of the fact that it is a simple, natural remedy that is effective.
